

Blade Guard Assembly | PM2000-BGA

Product Images

Description

Blade guard assembly for Powermatic PM2000 saws. Dual protection: keeps fingers away from blade and helps keep chips and debris away from blade. This is an original equipment manufacturer part, designed to the exact specifications of your machine, guaranteed to fit and function exactly like the original. See model diagram and owner's manual for installation details, related parts, and precautions which should be taken.
