

31A Belt/Disc Sander, 1.5HP 1PH 115/230V

Product Images

Description

Loaded with features, the 31A Sander from Powermatic can tackle the most demanding tasks. Full cast iron construction is great for heavy woodworking. The integral dual dust port keeps both belt and disc portions clean, extending abrasive life. The articulating table mounted on the 6" x 48" belt sander head can be used vertically, horizontally, or angled to accommodate diverse jobs. The belt head has an indexing pin with stops at 0, 45° and 90° and the head lock allows use at any angle in-between. Removing the top guard allows contour sanding and the cast iron tables with miter gauge slots and positive stops make set-up fast, accurate, and simple for any angle.

Additional Information

Stock Number	1791291K
Disc Diameter (In.)	12.0000
Disc Speed (RPM)	2,375
Dust Collection Minimum CFM Required (CFM)	400
Dust Port Outside Diameter (In.)	4
Motor Amps	14/7
Motor Power (HP)	1-1/2
Prop 65	Cancer and Reproductive Harm
Style (Type)	Belt & Disc
